UNIVERSAL SMILE believes that through education; even the most impoverished people in the world have the ability to improve their own lives.*

## MESSAGE OF THE CHAIRMAN

Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This imaginative culture allows and emphasises our wards not only to adopt the present day challenges but also individual responsibilities to the society and our nation at large.

Our organization has set definite objectives and planned activities for achieving excellence in all spheres of education and talent.

We strongly believe in academic excellence and do not compromise on teaching standards, discipline as well as health and nutrition. These things are the springboards on which we operate. We also believe in total learning and sharing.

**Mr. Mrinmoy Roy Chowdhury**  
Chairman

## MESSAGE OF THE SECRETARY

It gives me immense pleasure to present before you the Fourth Annual Report of our Foundation. Four years for an organisation is not a very long journey, many more years of hardship yet to come.

We are glad that our Foundation has acquired a clear vision and plan in major and very important areas like education and health. Getting the vision right, is a major task for any organisation and on that score, we are lucky that we are steadily building our strength in the above areas.

Our Sincere thanks to our Chairman, other Members and Advisors for their ample support to our Foundation. My thanks to our attached Teachers and Volunteers and our Staff for making Universal Smile a growing and a purposeful organisation.

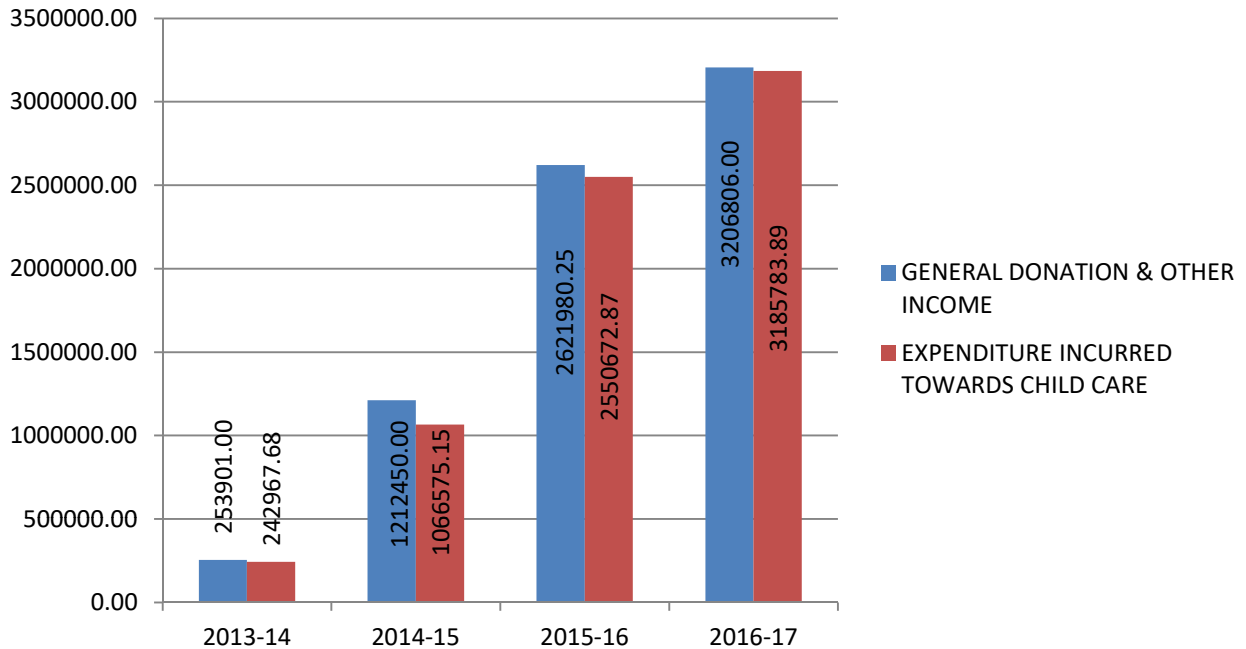

**Mrs. Ankita Roy Chowdhury**  
Secretary
